

FEDERASI ICE SKATING INDONESIA
INDONESIA ICE SKATING FEDERATION

COMMUNICATION No: 026/2026

**Mandatory Membership and Test Registration Requirements for the
2026 Indonesia National Ice Skating Championship**

Dear FISI Provincial Associations (Pengprov), Rink Administrators, Members, Skaters, Coaches, and Parents,

In preparation for the Indonesia National Ice Skating Championship 2026, please be formally advised that all participants and coaches are required to hold a valid and active FISI membership. Furthermore, all test levels must be duly registered with and paid to FISI.

Non-compliance with these requirements will result in ineligibility to participate in the Championship.

Kindly note that the deadline for completion of membership and test registration is 30 March 2026, one (1) week after the official Nationals registration deadline.

Additionally, any tests conducted without proper registration with the FISI National Office shall be deemed invalid and must be retaken in accordance with FISI regulations. All tests must be registered with the FISI National Office within thirty (30) days of the test date. Any test not registered within this period will be considered invalid and must be retaken.

For rink administrators, please be advised that the National Basic Test Level fee is fixed at IDR 150,000 per skater. Any changes to this fee structure may only be implemented upon prior approval from the FISI National Office. Failure to comply with this policy will result in the rink administration being prohibited from conducting any future National Test Level assessments.

Your strict adherence to the above requirements is highly appreciated.

Jakarta, 28 March 2026

Suzan Herawaty, S.E., President
